

## Volunteers & Donations

Palmer Court utilizes group and individual volunteers to support day to day projects and/or activities for children, teens and adults.

Volunteers or volunteer groups can call Palmer Court regarding one time volunteer projects and for those interested in ongoing service, contact the Development Team at The Road Home for volunteer training.

More information is available on our website under the volunteer tab [www.theroadhome.org](http://www.theroadhome.org)

Palmer Court accepts donations to include supplies for the apartment start up kits (list available on The Road Home website under the "Give" tab, then "In Kind Donations"), clothing, dry food goods, cleaning supplies, gift cards to local stores and movie theaters, and other items that support our residents and related activities.

## What it is . . .

Palmer Court is Permanent Supportive Housing for individuals and families that have experienced chronic homelessness and have a disability resulting in needing supportive services. It is based on the Housing First Model and operated by The Road Home. Staff includes property management, maintenance and custodial, 24 hour 7 day a week desk staff, and services (case management). Safety and security includes camera system and secured entry.

There are 201 apartments that consist of 148 studios, 7 one bedroom and 46 two bedrooms for 53 families and 148 singles.

Onsite amenities include a beautiful courtyard with a playground, basketball court, and community gardens, as well as spacious lobbies in the Main Street and State Street entrances, exercise room, laundry facilities, libraries, computer labs, and meeting rooms.

Partners include Department of Work Force Services, City and County Housing Authorities, Vocational Rehabilitation, Advantage Services, clinical providers, Utah Food Bank, Volunteers of America, and many more.

## Services

The Case Managers and AmeriCorps workers of the supportive service team help connect tenants with resources in the community relating to income, employment, federal benefits, referrals to treatment for substance abuse and mental health, food and clothing assistance, and other resources towards their success. The team works with community partners and agencies to open doors for residents to get the appropriate services, benefits and entitlements, and opportunities for growth and recovery in life, education and employment.

### Early Head Start and Head Start

The Head Start Program is operated by the Salt Lake Community Action Program. There are four classrooms onsite for children of residents at Palmer Court and previous residents of Palmer from age six weeks of age up to entrance into elementary school.

## Employment

Palmer Court currently partners with Department of Workforce Services, Vocational Rehabilitation, Advantage Services, Inc., Maverik, and community businesses to provide residents opportunities for employment onsite and in the community. Advantage Services has employed Palmer Court residents in positions of custodial, laundry, snow removal and salting walkways, and team leader. Advantage Services has also employed residents in various placements in the community to include Salt Lake Community College, Salt Lake City Administrative Services and other settings. Maverik employs residents at their local stores.

## Activities

There are after school activities for the children and teens to include Book Club, Study Night, and Yoga. Special events and activities are scheduled as volunteer groups create opportunities and for holidays.

As well, there are activities for the adults, to include Parenting Classes, Computer Classes, Budgeting Class, Exercise Time, and Job Club. Opportunities for special events and holiday activities also become available. Weekly trips are coordinated to food banks and pantries, Welfare Square, and local stores.
